NON ACE STUDENT
Course Permission Form

- This form is to be completed by the student and the ACE advisor at the university offering the course.
- Students must submit the documentation required by each university to determine eligibility.
- Students must go through this procedure for each course they wish to take through ACE
- Assuming eligibility, permission to take a course will be granted only after registration is closed for fully admitted ACE students (those eligible for the autism endorsement) The deadlines will be set each semester by the universities offering courses and may vary from institution to institution.
- A course in the **Introductory/Overview,** or approved equivalent, **is prerequisite to all other courses**
